

# Volunteer Planting Day 2012

Meola Creek (Roy Clements Treeway), St Lukes

Here's a great opportunity to make a difference to Auckland's parks. Come along with family and friends and help nurture green places for everyone to enjoy.

Last year volunteers planted more than 15,000 native trees and plants. We'd love you to be part of this year's effort.

**Sunday 24 June**  
**1pm–3.30pm**

**Meet at Alberton Avenue entrance, Mt Albert.**  
There are tasks available to accommodate most levels of fitness. Previous experience is not necessary.

Light refreshments will be provided.

## Equipment to bring:

- a spade and gloves
- sturdy shoes or boots (jandals are not suitable)
- a raincoat and warm clothing
- hat, sunglasses and sunscreen if it's a sunny day

## Please be sure to:

- supervise children around the site and water areas
- watch your step on uneven ground and take care when handling plants (especially near the eyes).
