

STEPS

ST LUKES ENVIRONMENTAL PROTECTION SOCIETY

Annual General Meeting 2015 & 10th Anniversary

ALL WELCOME

After the AGM, there will be brief updates on several topical issues including: Meola Creek water quality monitoring results; 2015 plantings in wetland and rock forest; Central Interceptor and its impact on Roy Clements Treeway (Watercare Services). Following the updates, there will be a general panel/floor discussion for these issues and those raised by the audience.

Come along and have your say :)

**Historic Alberton House, 100 Mt Albert Rd
7pm, Thursday, 6 August 2015**
