

STEPS

ST LUKES ENVIRONMENTAL PROTECTION SOCIETY

Annual General Meeting 2017

ALL WELCOME

After the AGM, there will be a presentation by a wastewater biologist on:

Water Quality in Meola Creek: Threats & Opportunities

Following the presentation, there will be updates on various topical issues, including Upper Meola Creek Rehabilitation, Meola Creek Wetlands and Enhancements, and Central Interceptor, plus any issues raised by attendees

Come along and have your say :)

**Historic Alberton House, 100 Mt Albert Rd
7pm, Tuesday, 27 June 2017**
