

November 2018 Event

Tending the Ephemeral Wetland Planting

Join STEPS improving part of the Roy Clements Treeway!
Earlier in the year, we planted the ephemeral wetland at the Treeway's southern end, and it now needs a little tending to keep it thriving.

Come along, with family and friends, for a couple of hours of releasing, and help improve the biodiversity of the area.

- Saturday 24th November 2018 at 10.00am
- @ Kerr Taylor Park (Fergusson Reserve) end of Roy Clements Treeway (southern end)

Please bring a sunhat and sunblock, a raincoat, water bottle and gardening gloves.

If the weather looks poor, check www.meolacreek.org.nz after 8am.

Any questions, email: contact@meolacreek.org.nz
