

## July 2020 Planting Event Waitītiko Lava Forest

Join STEPS in improving part of the Roy Clements Treeway!  
In 2018 and 2019, we planted the ephemeral wetland at the Treeway's southern end. In 2020 we will enhance our rare Auckland lava rock forest\*.

**Saturday 11<sup>th</sup> July 2020 at 10.30am** (Rain date: Sunday 19 July)  
Meet @ 30 Alberton Ave end of Roy Clements Treeway (near MAGS)

Please bring a sunhat and sunblock, a raincoat, water bottle and gardening gloves. Bring a spade if you have one – we have some spares.

Come along, with family and friends, for a couple of hours of planting and help improve the biodiversity of the area. The planting site is about 50 meters along the boardwalk – you will see us up on the rocky knoll.

If the weather looks poor, check [www.meolacreek.org.nz](http://www.meolacreek.org.nz) after 8am.

Any questions, email: [contact@meolacreek.org.nz](mailto:contact@meolacreek.org.nz)
