

May 2021 Planting Event

Waititiko Meola wetland

Join STEPS in improving part of the Roy Clements Treeway!
In 2018 and 2019, we planted the ephemeral wetland at the Treeway's southern end. In 2021 we will plant the remaining area.

- **Saturday 29th May 2021 at 10.30am** (Rain date: Sunday 30 May)
- Meet @ Fergusson Ave end of Roy Clements Treeway in Kerr Taylor Park.

Please bring a sunhat and sunblock, a raincoat, water bottle and gardening gloves. Bring a spade if you have one – we have some spares.

Come along, with family and friends, for a couple of hours of planting and help improve the biodiversity of the area. The planting site is about 20 meters along the boardwalk – you will see us in front of the red brick apartments.

If the weather looks poor, check www.meolacreek.org.nz after 8am.

Any questions, email: contact@meolacreek.org.nz

May 2021 Planting Event

Thanks to AELB for this year's plants.
